PHARM+ASSIST

THE PRESCRIPTION FOR LIFTING PROBLEMS

Superlift Introduces **THE LIFT DOCTOR™ Pharm-Assist** for pharmaceutical and food applications.

Self propelled or manual stainless steel screw lift to lift loads up to 700 lbs to lift heights of 96 inches.

THE LIFT DOCTOR™ Pharm-Assist is a wash down ergonomic lifter that truly takes the effort from not only lifting heavy loads but also moving it into position effortlessly.

Two models are available in 400 lb capacity as well as the 700 lb and lift heights from 48 inches to 96 inches in lift height.

FEATURES INCLUDE

- 304L or optional 316L stainless steel for your clean room applications
- Standard and custom sizes and custom end-effectors are available for your special applications
- A small foot print in 24 volt DC drive with lithium and sealed batteries that will provide shift after shift of lifting ease
- Available with manual or electric brake so that your load will stay where you place it
- Easy to use controls that are identical to a powered pallet truck so any experienced operator will find it easy to use.

Superlift Material Handling Inc is the leader in stainless steel lifting and ergonomic solutions for industry around the world...
